MESSAGE FROM OUR HEADMASTER

St Hugh's School
Woodhall Spa

Mr Jeremy Wyld
Headmaster

To all of you, be you coach, player or supporter,

To perform on a national stage in any event is a real privilege but to be part of the long established history of the Rosslyn Park 7s is especially so. You'll be taking part in a prestigious tournament which has seen the likes of Chris Robshaw and Gareth Edwards (Millfield), James Haskell (Wellington), Laurence Dallaglio (Ampleforth) and most familiarly Henry Slade (Plymouth College) and Marcus Smith (Brighton College) in the U18 Boys' Vase. Former England captain Will Carling played whilst at Prep School for Terra Nova (before going on to play at Harlequins and to become a Grand Slam winning England captain).

Schools which will be familiar to you all include Ampleforth (who have won 11 times), Sedbergh (5), Rugby (3) and Uppingham (2).

For players, this is the first time in a decade that St Hugh's has played in this tournament and this is testament to the dedication and commitment that you have all shown throughout your time with us. Some of you may go on to emulate the names who have appeared before you - all of you will return with memories to cherish, which I hope will encourage you all to remain involved in this fabulous sport.
For coaches, this is a great opportunity to challenge our pupils, to push them outside of the comfort zone of their familiar fixtures list.
For parents this is a wonderful chance for you to see your children perform in a global competition that is absolutely blessed with tradition, talent and the very best of schools' rugby.

Soak up the atmosphere, embrace the opportunity and enjoy the experience.

Yours in rugby,

Jeremy Wyld

ABOUT US

Our School

Based in the idyllic village of Woodhall Spa in the county of Lincolnshire, England, we are a leading independent Nursery, day and boarding Preparatory School for boys and girls aged 2-13.

Set in our own beautiful grounds, we have exceptional facilities. The enviable learning environment at St Hugh's provides a space where classrooms and playing fields provide equal opportunities for all – be it in a lesson, a match, a concert or a play, there are opportunities for children to develop, encouraged by caring professionals who are proud to be part of the school and who love what they do.

ST HUGH'S HISTORY

St Hugh's School owes its origin to the Forbes family who founded it in 1925, and it was due to their energy and vision that the school has been able to expand and succeed, working towards our Centenary celebrations.

The school became a Charitable Trust in 1962 and have continued to prosper over the years and we are proud that we are a truly independent prep school, preparing children for a wide range of senior schools for transfer at both eleven and thirteen.

We are the oldest independent school in the county and some of our current pupils represent the third generation of their family attending the 'family' of St Hugh's.

ABOUT US

SOME WORDS OF WISDOM...

St Hugh's School
Woodhall Spa

Finlay Calder, OBE

Former British Lions Captain
Scottish Internationalist, 1986-1991

What excitement awaits your two teams heading off to London later this month to participate in the prestigious Rosslyn Park Sevens.

Many years ago, and I mean many years ago, I first picked up a rugby ball at the age of five or six and 60 years on, I am still in love with this game of rugby for it is quite unique for so many reasons. Sure it's about strength and speed, skill and fitness but above all of these, and much more importantly, it's about having fun and friendship.

When you set off to London, treat it as an adventure with your pals and each and every moment is to be savoured and enjoyed. You may well be up against stronger and fitter sides but it's not about the final score, it's about doing your best, not only for yourself and your own pride, but for your pals around you and your teachers too.

Remember the great saying, ' it's not about the size of the dog in the fight .....it's about the size of the fight in the dog ', so get stuck in and do your absolute best. If you do that, you can do no more!

I wish you all well and look forward to hearing how the trip went.

Yours in sport

Finlay Calder OBE
Former Captain of the British & Irish Lions
