MEET THE COACHING STAFF

Luke Webb
Technical Director of Football

Luke retired from professional football after a career at Arsenal, Coventry City and Hereford United. He has since created a nationally acclaimed football education programme that facilitates the development of players to a truly elite level. Luke is one of the most innovative coaches and system engineers in the sports and education space. His passion is firmly embedded in the equal combination of academic, social and sporting excellence, which is shown in the delivery and high-level achievements of the football programme and teams he has helped guide.

Kieran Robinson
Football Performance Coach

Kieran played for several football academies including Southampton, Reading, and Aldershot before joining Oxford United U21s whilst studying for a BSc Hons in Sports Coaching and Performance Psychology at Oxford Brookes. His focus at Repton is supporting the junior teams and helping them transition smoothly into the 1st XI as they develop.
