Welcome to St Hugh's and thank you for expressing an interest in joining us as a member of staff.

The ethos of St. Hugh's is driven very much by a sense of community and an environment where everybody can find their way to make an impact.

We are a thriving school with children from the age of 2 in the Nursery right up to 13 years of age in Year 8 and our small class sizes and family atmosphere mean that we can focus on the key aspects of education. We never forget the importance of childhood and the range of

activities on offer here, most of which are run by staff from across the school, is the envy of many schools in the area.

Our minibuses bring children to us from all areas of Lincolnshire and we have routes which run from Lincoln, Skegness, Louth, Sleaford, Boston and Market Rasen. A significant number of children are boarders here and, to them, school is very much a home from home. They live in school from Monday to Friday, looked after by our resident staff.

St Hugh's is a family school, firmly linked to the local community and we are proud of our connection to the village. We host events for local residents, we source our food from local producers and we strive to play our part in the town we are proud to call home. We are especially proud of our connections to the armed forces; many families from the British and American forces have chosen us and we are pleased to be linked to a number of local bases.

With 160 children and over 50 members of staff, St Hugh's is a school where everyone knows everybody. Each member of staff, be they admin, support, catering, or teaching, enjoys working here and particularly the energy and enthusiasm that greets you as you arrive.

I'd very much like to welcome you to the school to get a sense for this yourself and, if you think St Hugh's is also right for you, I look forward to receiving your application to join us. If you wish to know more, please don't hesitate to contact the school.

Yours sincerely,

Jeremy Wyld, Headmaster
