

This week in the Boarding House

Dear Parents and Pupils,

Following the success of our girls' shower improvements; we began this week by updating the boys' showers. They did, however, need some guidance on how to keep the water contained within the shower cubicle!

On Monday, we decided to bank the tie die activity and take advantage of the weather by playing 40-40 outside. Due to the unexpected weather on Tuesday, we stayed on school grounds again and played outside on the Adventure Playground.

Our main event of the week was the Alice in Wonderland tea party on Wednesday. It was fantastic to see pupils dress up like characters from the film and share an afternoon tea/supper with one another.

Following the tea, we played a variety of games, including building Alice's house out of playing cards, which I had no idea was so difficult! You definitely required a steady hand. We played find the bunny, which, according to the pupils, was actually named sardines! On the second round, Matron (the bunny) hid so expertly that no one could find her! After that, we had an Alice in Wonderland quiz, followed by a treasure hunt for Alice's house keys!

It was a lot of fun and will be remembered fondly. Pupils enjoyed it so much that they have requested a Harry Potter Sorting Hat Ceremony!!

We finished the week by making window sun catchers to help beautify the windows of the boarding house.

I hope you all had a lovely weekend.

Best Wishes,

Mrs Warwick-Smith
Boarding House Parent
