

This week in the Boarding House

Dear Parents and Pupils,

And just like that, we're back at school and approaching the end of our first week! It's been fantastic to have a busy house again, and it's been lovely to watch boarders decorate their areas with their own personal touches. A tent, Lilo and Stitch, and countless family photos are all present in our house. This is something we want to encourage because we enjoy learning about their family members and the memories each photo evokes.

Playing at Jubilee Park, eating takeaway pizza at the dining room table with Miss Kilby, our new resident staff member, playing on the school grounds in the beautiful weather and most importantly, spending time at our school home have all been highlights of this first week. Being back is just wonderful.

I'd like to introduce our Head Boarders for this academic year. Amelia has taken over from her sister and is doing an outstanding job. Jenson retains his position from the previous year and intends to expand his roles and responsibilities. We look forward to helping them with their tasks throughout the year.

The activities for this term are captivating and it's nice to have had conversations with pupils about future activities and what nights they'd like to board already this week. Please check the calendar for upcoming events and email to make bookings.

I wish you all a relaxing weekend filled with sunshine.

We look forward to seeing you all on Monday.

Best Wishes,

Mrs Warwick-Smith
Boarding House Parent
