

This week in the Boarding House

Dear Parents and Pupils,

On Monday pupil's choice was 40/40 which we probably could have guessed! It is definitely a favourite. On Tuesday the boarders made their own jewellery, we had lots of necklaces.

On Wednesday following on from fixtures we set up two teams to complete against each other to crack the code for the vault.

This time the escape room was based around a missed flight. Lucy Kingston was supposed to deliver their message but whilst on a tour of Europe and after speaking some uncomfortable truths to a journalist she was caught up in a story of lies and corruption and went into hiding. She stashed the message in an online vault and left a series of puzzles to conceal the passcode. The boarders had to work out the passcode and break into the vault!

It is always quiet at first, but as the intensity builds, the boarders become extremely competitive! Always enjoyable. We also enjoyed pizzas and caterpillar cake to celebrate Tabitha's birthday.

On Thursday, pupils sipped mocktails while watching The Lion King and relaxing with the Dachshunds. A perfect way to wrap up the week.

Next week we are looking forward to welcoming Captain Fantastic; the magician on Wednesday and having the return of the swimming pool party on Thursday.

I'm looking forward to seeing you all again on Monday and I hope you all have an amazing weekend.

Best Wishes,

Mrs Warwick-Smith

Boarding House Parent

Next Week's Activities	
Monday	Dog Bingo!
Tuesday	Sushi Making!
Wednesday	Captain Fantastic!
Thursday	Swimming Pool Party!
