

# *This week in the* Boarding House

*Dear Parents and Pupils,*

Monday nights are now reserved for 40/40 in. In our weekly activities, it is essential. The boarders enjoyed it so much that we played before going outdoors to play invasion games on Tuesday! We can't wait for the nights to get lighter so we can spend most of our evenings playing outside.

We tried something new for supper on Monday: ham and cheese wraps, which was a huge hit! We had jacket potatoes with fillings on Tuesday, and we finished things off with a piece of confetti cake.

After our matches on Wednesday, we went down to the coop for a treat before returning to the boarding house for a calm evening of pool, TV, and toasties for supper. We were all exhausted!

On Thursday evening, we sat down and watched a movie together in the TV room, and Miss Fish brought us some popcorn, which was gone in two minutes. We then enjoyed sausage buns and beans for supper before going to bed to prepare for the weekend!

Have a wonderful weekend, and we'll see you on Monday.

With thanks
