

This week in the Boarding House

Dear Parents and Pupils,

This week began a day early for us because the Year 7 and 8 pupils had a play rehearsal on Sunday. They finished the day with pizzas before relaxing with activities and movies in the evening. Wilf's birthday was over the weekend, so after a family dinner, we celebrated by sharing a delicious birthday cake.

The boarders worked off some energy in the sports hall on Monday night before relaxing in the boarding house. On Tuesday night, they began learning about graffiti writing. This will ideally result in some kind of art work for the games room.

Following our fixtures on Wednesday evening, we sat down for a takeaway. The food was a mix of Indian and pizza, but it was devoured!

Lastly, on Thursday, our boarders baked some delicious fairy cakes before surprising Jenson with a birthday DISCO!!

Birthdays are something we love celebrating in house! Who's birthday is coming up next, and what do we anticipate the surprise will be?

The games room is rapidly evolving, and the changes we're seeing are getting everyone excited. The orders have been made, and the items have begun to arrive and will continue to arrive until early next week. We are very thrilled to welcome everyone into the boarding house to see our new room. We also hope to go live on our social media channels next week so that you can not only see our boarders' faces but also see their new social hub.

The final sum raised has been counted and verified. The total sum raised is £2071.39!!! This is an incredible accomplishment, and we are incredibly grateful for your help. The room will be incredible and will undoubtedly be a lasting memory for our boarders.

We are very excited to see Pop Stars: The 90s Show next Monday and Tuesday. We wish all of the pupils involved the best of luck.

Have a great weekend!

Best Wishes,

Mrs Warwick-Smith
Boarding House Parent
