

SECOND HAND UNIFORM SHOP

If you wish us to sell items of school uniform for you in the second-hand shop, you will need to label and price them. Each item of clothing that you wish us to sell will need to have a cardboard label fastened on with a **safety pin**, with the following information:

1. item of clothing,
2. size/age,
3. the price that you wish to sell the item for
4. your name and address.

Please **do not** use dressmaker's pins or sticky labels as they do not stay attached to the garment!

Should you leave clothes unlabelled, we will assume that they are a donation with all the proceeds going to the P.A.

We do not accept any stained, damaged, dirty or obviously mended items. All blazers must be dry-cleaned. We also do not accept football boots, trainers, plimsolls, white shirts or blouses or any items of uniform that are not from the St. Hugh's uniform shop.

The gaps in the price list above indicate that either we have a vast stock of these items already, or that the items can only be accepted in excellent condition.

These prices are only intended as a guideline, you are very welcome to price your items as you wish. All we ask, is that the price is **divisible by three**, so that it makes our job of splitting the money between you (two-thirds) and the Parents' Association (one-third) much easier! Thank you!
