

## Boarding kit list

Here is a kit list for any boarding child. Please remember as always, to name all their items of clothing as well as their bedding, to help with the laundering and return of the clothes each day.

No snacks are needed as supper is provided for them each day.

### Full boarding - 4/5 nights a week

- Laundry - washing is put in the wash basket each evening, taken to laundry in the morning and returned to their dorm for them for the end of the day.
- 3 sets of uniform to be at school - one they are wearing, one for the next day and one spare.
- 3 sets of home clothes are sufficient but may be packed each week to be rotated at home at the weekend. I recommend a few layers despite it being the summer term as the evenings can still get a little chilly.
- A coat and a pair of shoes for evening activities - their sports shoes cannot always be accessed
- 2 sets of pyjamas, a dressing gown and a pair of slippers - they may bring a 'onesie' as well if they wish
- A wash bag - shower gel, shampoo and conditioner, toothbrush and toothpaste
- 2 towels
- Their own bedding and bedding covers (2 sets) if they wish - these remain at school for the whole year and returned in July.
- Electronics, soft teddies/blankets, photographs, posters.

## Flexi boarding - regular nights each week

If your child will be boarding the same nights each week, they may leave their boarding bag and clothes at school. Anything at school will be laundered and ready for their return each week.

- Clean uniform enough for each day they are boarding - if they board for 2 nights consecutively, they may put one set of uniform in the wash, and it will be ready for the 3<sup>rd</sup> day.
- A set of home clothes for their evening activity - if they board for 2 nights consecutively, they may put one set of home clothes in the wash, and it will be ready for the 3<sup>rd</sup> day.
- A coat and a pair of shoes for evening activities - their sports shoes cannot always be accessed
- Pyjamas, a dressing gown and a pair of slippers - they may bring a 'onesie' as well if they wish
- A wash bag - shower gel, shampoo and conditioner, toothbrush and toothpaste
- A towel
- Their own bedding and bedding cover if they wish - these remain at school for the whole year and returned in July.
- Electronics, soft teddies/blankets, photographs, posters.

## Flexi boarding - occasional nights

If your child would like to try boarding or wants to board on the occasional evening, they will need the following items -

- Clean uniform for the next day - including underwear and socks/tights
- A set of home clothes, including coat and shoes, for the evening activity
- Pyjamas, a dressing gown and a pair of slippers - they may bring a 'onesie' as well if they wish
- A wash bag - shower gel, shampoo and conditioner, toothbrush and toothpaste
- A towel
- Electronics, soft teddies/blankets

They do not need any bedding as this will be provided for them.
