Woodhall Spa

# From Mr Ferguson...

---

It is with great pleasure to welcome you, our Parents, families and friends to the Summer Gala Concert. This concert is a celebration of the musicians who are leaving for pastures new from St Hugh's School, as well as those that have shown considerable commitment and dedication to our main ensembles.

A concert such as this is always bittersweet. We, as a school, are always proud to showcase the talents and abilities of these wonderful children. However, at this time of year, it is always tinged with sadness as we say goodbye to pupils, some of whom we have taught for many years. The children have set off on a musical journey, faced difficulties and challenges, but also shown great perseverance and, undoubtedly, success. The hard work and passion of these children is on show for you all tonight. Without their commitment, and your collective efforts as parents, events such as these could not happen. I would like to take this opportunity to thank you all for coming this evening, and for your continued support for our young musicians.

Whilst I am thanking you, I would also like to say a huge thank you to our team of peripatetic music teachers at St Hugh's. They are all a tremendous asset to the Music Department and have been a great support both for the children, and for myself. This year we have welcomed two new teachers, Ms Butterworth, giving lessons on lower strings and harp, and Mr Squires on guitar. I hope that you will join me in welcoming them to the team and thanking them for their efforts this year and beyond.

The biggest thank you is undoubtedly reserved for the children that have taken part in tonight's performances - you are all superstars! To those children leaving us at the end of term, I wish each and every one of you all the very best of luck as you embark on your new beginnings. Keep playing, keep singing, keep dancing. Be proud of your achievements. Never forget your collective experiences that you have shared with your classmates and your teachers, both on the stage in the spotlight, but also the classrooms and on the sports field. Most importantly, keep being your amazing selves!

Thank you all, once again, and enjoy the show!

Mr Mark Ferguson  
Director of Music

# Programme

---
